GROUP COACHING – 7 SECRETS OF LEADING OTHERS

COACHING PROGRAM GOALS:

- 1 Accountability to working on a development plan that is designed uniquely for you
- 2 Enhance personal and professional vision, mission, core purpose and implementation of your leadership development plan
- 3 Coaching and training to enhance leadership skills and abilities
- 4 Connect with others going through the same journey

ILEC Group Coaching is an 8-week series of weekly workshops. Each two-hour session focuses on key elements of leading others. The workshop has a maximum of ten participants allowing the coaches to work closely with each member.

The interactive workshops include discussions about your potential as an Intelligent Leader and how to craft a self-development path to get there, as well as assignments to be completed before the next session. Kristi & John check-in between sessions, providing additional instruction/discussion on the assignments.

After session eight, there will be a one-on-one with the coach of your choice to review the Intelligent Leadership Development Plan (ILDP) you created.
