### THE INTERNATIONAL MYELOMA FOUNDATION

Since 1990, the International Myeloma Foundation has remained dedicated to improving the quality of life of myeloma patients through its programs in: Research, Education, Support and Advocacy. The IMF is a world-recognized leader in myeloma with a global reach of over 450,000 members in 140 countries worldwide - including patients, caregivers, family members, physicians, nurses and other healthcare professionals.

### THE PETER BOYLE RESEARCH FUND

Established in 2007 and named for the beloved actor who lost his battle with multiple myeloma, the Peter Boyle Research Fund supports groundbreaking myeloma research that is leading the way toward cure.

### THE BLACK SWAN RESEARCH INITIATIVE®

BSRI is the IMF's innovative approach to finding a cure for multiple myeloma. Since its inception in 2012, BSRI has launched several results-driven research projects that have changed the way multiple myeloma is diagnosed and treated. Today, BSRI is on the cusp of curing a subset of myeloma patients. Learn more at [myeloma.org](http://myeloma.org).

**The IMF's mission is to improve the quality of life of myeloma patients while working toward prevention and a cure.**
