

# PASADENA

CHAMBER OF COMMERCE  
& CIVIC ASSOCIATION

Pasadena contains a number of older apartment buildings that may have issues with soft-story construction. These buildings feature tuck under parking spaces with units overhead. The Pasadena Chamber of Commerce is supporting efforts by the City to make these buildings more secure in earthquakes. We have arranged for Chamber member Optimum Seismic, Inc. to conduct a complimentary informational workshop for local apartment owners and managers.

## Optimum Seismic Offers Earthquake 101 Retrofit Workshop for Building Owners

When: **Thursday, July 21**

Time: **12:00 p.m.**

Location: **Jackie Robinson Community Center  
1020 N Fair Oaks Ave,  
Pasadena, CA 91103**
