

Ensure Compliance with State and Local Regulations

Businesses in California are required by law to arrange for recycling and organics recycling services.

Becoming a Pasadena Zero Waste Partner ensures you are compliant with the following regulations and any future waste reduction requirements.

Assembly Bill 341

Requires all businesses that generate (4) cubic yards or more of waste per week to arrange for recycling services.

Assembly Bill 1826

Requires all businesses that generate four (4) cubic yards or more of organic waste per week to arrange for organics recycling services.

Polystyrene Ban Ordinance

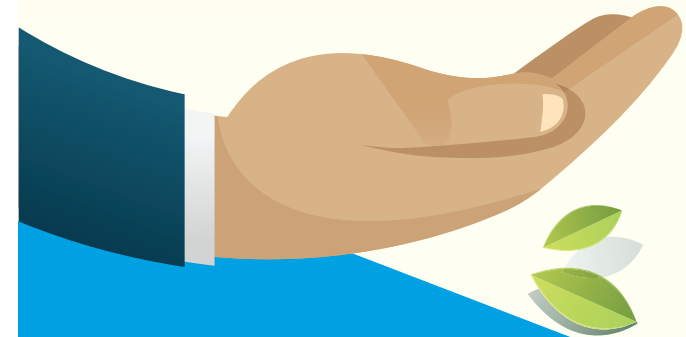

(PMC 8.67, Ordinance No. 7284)

The use or sale of polystyrene food packaging is banned in the City of Pasadena effective August 22, 2017.

City-wide recognition as a Pasadena Zero Waste Partner

Free window decal advertising your commitment to the environment and participation in the Program

The Pasadena Zero Waste Partner Program

is a free program that assists businesses in becoming environmental leaders by incorporating waste reduction practices into their business models.

Your business can be a part of a community that is making long lasting positive effects on the environment

What is the Process?

Registration

Complete an application and we will contact you to discuss your business' waste reduction goals.

Applications can be submitted online at cityofpasadena.net/zerowastepartner

Achieve Waste Reduction Goals

Your business must meet the program's waste reduction goals to become a Zero Waste Partner.

To successfully achieve the goals, your business will receive technical assistance, on-site trainings and waste reduction education for your staff.

Take the Zero Waste Partner Pledge

Make a long-term commitment by incorporating waste reduction strategies into your business model by taking the Zero Waste Partner Pledge.

Certification

Businesses that become a Pasadena Zero Waste Partner will receive formal certification and city-wide recognition.
